

ADDENDUM 001
REQUEST FOR BID (RFB) NUMBER: D211-028-R2

The following clarifications are believed to be of general interest to all potential vendors.

1. The online technical specifications for the Bomag 413 Pull Pavers referenced in the original RFB document (http://www.bomag.com/ext_resource/americas/milling/413_2pg.pdf) refer to pneumatic tires as standard equipment. **MoDOT will require solid rubber tires (non pneumatic) be provided with the requested units.** Bid pricing submitted should be based on providing these type of tires.
2. All other requirements and details of the RFB remain unchanged.
3. All sealed bids are still due no later than Wednesday, January 5, 2011 @ 1:00 PM Central Time.
